## TO FORM NEW SLAV CABINET

Kerensky Makes Move Against  
Democratic Congress Plan  
to Do Naming

## DEMOCRATS OPPOSE

Premier Approves Business  
Men's Policy of Strength;  
Menace of Germans

Petrograd, Russia, Friday, Sept. 28.—(Delayed)—The immediate formation of a new coalition cabinet is reported tonight to be the decision of Premier Kerensky. This is considered a direct challenge to the democratic congress which is expected to demand the right to name the government.

M. Buryakov and M. Trtyakov, Moscow leaders, who at present have no political affiliation, went to the winter palace today at the invitation of the premier and presented to him a program which has been approved by the business, banking, and manufacturing interests. It is announced the premier has agreed to the program, the principal points of which are the immediate adoption of measures to put the army and navy into fighting condition, the merciless suppression of anarchy, absolute independence of cabinet ministers of parties, and measures to guarantee the selection of members of the constituent assembly which is to decide Russia's future in such a way that the assembly will express the free will of the Russian people. It is believed that this plan will meet the approval of the constitutional democrats, who it is believed will have representation in the cabinet.

### Social Democrats to Oppose.

In the wide range of projects to come before the democratic congress stands out the determination of the social democrats to oppose any effort of the premier to reform the cabinet without sanction of the congress. The labor group favors a coalition cabinet. The peasant delegates will introduce a resolution for a "dictatorship of democracy," opposing the ambitions of the workmen's and soldiers' delegates to seize power.

Socialist ex-ministers, including M. Shobekoff, labor and M. Yaroudny, justice, speaking at the democratic congress, urged the necessity of coalition cabinet as the only means of saving Russia.

The session of the congress, fixed for noon today, was postponed until 5 o'clock in the evening, while anti-Kerensky held a mass meeting in an effort to agree upon a program. The sessions of the congress will be continued into next week.

Petrograd, Russia, Saturday, Sept. 29.—Commenting on the statement made by Premier Kerensky in his speech to the democratic congress that a German fleet was menacing Petrograd from the Gulf of Finland, the newspapers say every means of repelling the enemy is at hand out that it remains to be seen whether the revolution has hampered the fighting power of the Russian fleet.

### Catch Fins Buying Munitions.

It is not the first time that Germany has menaced us from the Baltic," says the *Novoe Vremya*. "It is vitally important for the enemy to seize some part of the coast as a landing base and in 1914, 1915, and 1916, our fleet was on the watch and all attempts were unsuccessful. Let us hope the revolution has strengthened rather than weakened the fighting power of our fleet.

Many arrests have been made in Petrograd of Finnish agents who were purchasing arms. The newspapers say the arrests reveal mysterious arrangements for the arming of Finland and that some purchases were made openly in the streets and cafes and even at the arsenals.

Disorders are reported at Tambov, three hundred miles southeast of Moscow and at Cazov, in Crimea, where plots laid by former criminal exiles to burn, burned and destroyed much grain and other property. The towns are under martial law and troops have been sent from Moscow. Rioting is also reported at Turkestan.

### SELIGMAN DIES AFTER FALL.

New York, Sept. 30.—Isaac Newton Seligman, a member of the banking firm of I. N. & W. Seligman & Company, died from a fracture of the skull suffered in a fall from his horse this morning near his summer home at Irvington. He was born in New York in 1841 and was in the banking business in 1876. His only son, Joseph Seligman, is attached to the staff of the commanding officer at the military camp at Spartanburg, S. C. Mr. Seligman is a brother-in-law of Jacob Schiff.

### COUNTRYMEN DINE INISHI.

New York, Sept. 30.—A smallish Kib and the other members of the Japanese mission of the United States, who are residents of this city, in the afternoon they attended a reception in their honor given by the Japan club and the Japan society of New York at which about 500 were present. Tonight they were the guests of the two Japanese organizations. All the addresses at both meetings were in Japanese.

## Scouts! Chance to Get Banner From President

New York, Sept. 30.—President Wilson will bestow an American flag, with an attached streamer inscribed to show it came from him, upon the Boy Scout of America and to the troop which does the most effective work in selling bonds in each state during the campaign for the second Liberty loan. It was announced here tonight. This plan was suggested by Mrs. W. G. McAdoo.

## OPEN FIRE FOR NEW LOAN TODAY

McAdoo to Set Huge, Complicated, But Harmonious Machine in Motion

## THREE BILLION IN MONTH

Every Industry, Bank, Man, Woman, Boy, Soldier, Sailor Has His Work

Washington, D. C., Sept. 30.—The second Liberty loan campaign will open tomorrow. For four weeks the entire nation will be a recruiting ground for money with which to carry on the war.

To obtain three billion in subscriptions, the minimum set by treasury officials for the issue, a gigantic machine of many parts stands ready to be set in motion with the opening of the campaign. Fifty per cent greater than the first Liberty loan, the present offering is the largest the American people ever have been called on to absorb, and to make certain that it will be more than fully subscribed officials for months past have been perfecting the elaborate sales and publicity mechanism, which will be started tomorrow.

The Ingenuity of the Issue.

Five billion dollars and ten million subscribers—that is the goal toward which the drive is made. The services of every industry of the nation have been enlisted to bring about this result.

Secretary McAdoo will open the campaign formally with a speech in Cleveland, Ohio, the first of many which will deliver in a transcontinental tour which will go over until Oct. 26, the day before the subscription books close.

More than 26,000 banks will co-operate in floating the issue Monday. Those working under the guidance of the 12 federal reserve banks, regional headquarters for the loan, will be the treasury's first lieutenants. The entire press of the country—daily newspapers, weekly and monthly magazines, trade papers, foreign language publications, and farm papers—which contributed so largely to the success of the first issue will work for the success of the second. Chambers of commerce, boards of trade, manufacturers' associations, and kindred organizations have pledged their active and unstinted service.

### Boy Scouts and Women to Aid.

Boy Scouts, veterans of the last campaign, are planning a heavier drive for the second. Women's organizations from coast to coast have been marshalled under the leadership of a central woman's Liberty loan committee, headed by Mrs. W. G. McAdoo and tens of thousands of local committees of both men and women will aid in the chief towns and cities. Leading theatrical and moving picture stars have been filmed for a special number, which will be displayed in virtually every moving picture theatre of the country, while behind the footlights of theatres, time between the acts will be utilized to tell the story of the loan.

A campaign for the sale of bonds which will reach every officer and enlisted man in the army, and every officer and civil employee of the marine corps was announced tonight by the war department. The navy department also is preparing a similar campaign.

October 24, designated by Secretary McAdoo as "Liberty Loan Day," probably will be made a holiday at all camps and cantonments with field day sports and music.

## WILL INVESTIGATE HIGH MILK PRICES

FOOD ACT PROVIDES WAY; SWANN  
SAYS TRUST EXISTS

New York, Sept. 30.—Investigation to determine the reasonableness in increase in milk prices throughout New York state, which became effective tomorrow, was assured in a statement issued here tonight by Attorney General Merton E. Lewis. He declared that it necessary an inquiry under the food act would not be ineffectual or that should action in the state food commission be held up by the delay, it will become necessary to adopt other remedies.

"Under the state food law enacted recently by the New York legislature," the statement said, "it is illegal to combine for the purpose of exacting excess profits on necessary, including milk."

"Owing to the fact that the state

## LIFE OF CONGRESS NEARS ITS PASSING

### PROGRAM FOR ADJOURNMENT ALMOST COMPLETED

Washington, D. C., Sept. 30.—Congress enters tomorrow upon the closing days of the extraordinary session called April 3 and marked by epochal legislation.

Headed by the \$2,700,000,000 war tax bill which the house plans to dispose of tomorrow and send to the senate for final legislative action, the program for adjournment, which may come late this week and almost certainly no later than next week was almost completed tonight.

Officers of the freighter said that the submarine was one of the latest type and that her guns were of large calibre. Her designating number was hidden from view.

## British Freighter Sinks Large German Submarine

An Atlantic Port, Sept. 30.—The sinking of a large German submarine in a battle with a British freight steamer was reported on the arrival of a freight steamer here today. The battle occurred 150 miles off the coast of France eight days ago.

Officers of the freighter said that the submarine was of exceptional violence. This information, the first to reach the outside world from Pensacola since Friday afternoon, when communication was cut off, came to the navy department today from the Pensacola navy yard radio station. Damage to the navy yard was estimated at \$200,000.

The department summarized its dispatches as follows.

"The navy department has received a report from the Pensacola navy yard which states that the estimate of the damage done by the hurricane is about \$100,000. The electric railroad between the navy yard and the city of Pensacola was badly damaged and traffic over it will be delayed about a month. The damage to the seaplane station was comparatively slight. The entire roof of the aeronautical station was blown off.

"Damage in the villages of Warrington and Woolsey was slight outside the complete destruction of the Episcopal church and the practical demolition of the Y. M. C. A. building.

"From reports received at the navy yard from the city of Pensacola, it is learned that the damage there was not great, although a number of merchant vessels were driven ashore and the hurricane was of exceptional violence.

## PENSACOLA REPORTS STORM DAMAGE LIGHT

### NAVY YARD PROPERTY HURT; SOME BUILDINGS DESTROYED

Washington, D. C., Sept. 30.—The London district was again raided tonight by German airmen. There is a circumstantial but unconfirmed report that one enemy machine was brought down.

While there was a bright moon there also was a slight mist and the raiders were invisible to persons in the street but from the sounds of anti-aircraft guns in action the indications were that the raiders were moving over various sections.

Field Marshal Lord Haig's headquarters.

Doubtless, using former history as a guide, Haig again is pounding the German positions with a rain of shells.

Between the Tower Hamlet and the Polygon wood and along the Ypres-Menin road, however, the Germans have made several strong attacks.

While there was a bright moon there also was a slight mist and the raiders were invisible to persons in the street but from the sounds of anti-aircraft guns in action the indications were that the raiders were moving over various sections.

Two planes down.

Bombs were dropped in Kent, Essex and London. No details of the damage or casualties have yet been received.

The anti-aircraft fire ceased shortly after 9 o'clock. There are persistent but unconfirmed reports that two more German airplanes were brought down.

In expectation of nightly raids the streets of London were much less crowded tonight than ordinarily. The people got to their homes early and services in the churches were held at 5 o'clock.

11 KILLED, 82 INJURED SATURDAY.

London, England, September 30.—Eleven persons were killed and 82 injured in last night's air raid, it is announced officially. The material damage was not great.

## BASEBALL RESULTS

EXPECT SIX GAME  
SERIES AT LEAST

ATTENDANCE RECORDS MAY ALL  
GO TO SMASH

New York, Sept. 30.—If the seating capacity of the baseball parks in which play will be staged were not limited there is no question that new attendance records would be established in the coming world series between the Chicago Americans and the New York Nationals. So keen is the interest and enthusiasm created by this inter-sectional struggle for diamond supremacy between the teams of the two largest cities of the nation that under certain conditions it is likely even the figures of 1912 may be surpassed.

In the coming games the New York Polo grounds will seat approximately 17,000 spectators, while the Chicago White Sox park, with due allowance for any temporary stands that President Comiskey may elect to erect, will not exceed this paid seating capacity. Many close followers of the playing ability of the two teams involved have reached the conclusion, that given anything like an even break in the luck of the game, the series will go at least six games before a decision is reached.

If this proves to be the case the total attendance in round numbers would aggregate 223,000 as against the 261,901 actual paid admissions in the New York-Boston series of 1912, which, including one tie contest, went eight games. In order to surpass these figures at least seven games between the New York and Chicago clubs will be necessary to bring the aggregate attendance up to 255,000. The awarding of the various playing dates as the result of the toss of a coin will have little, if any, effect upon the attendance as it is predicted that the capacity of both parks will be completely sold out regardless of the days of the week on which games will be played at Chicago or New York.

In the 13 series which have been played since 1903 the official paid attendance amounted to \$1,701,777, and the receipts \$2,874,224, giving an average charge of admission of \$1.67 per spectator for the each of the 74 games played. If this same rate were applied to a seven game series between Chicago and New York the total gate receipts would amount to \$432,530, of which the National commission would take \$43,253, the players \$148,296 and the club owners about \$241,000.

These figures and divisions of gate receipts would not exceed those of the 1912 series, however, on the basis of an average charge of \$1.67 per spectator but in recent years the average price of admission has been considerably increased, as it was about \$2.35 per head in the 1912 series. Allowing for certain proposed reductions the rate should not fall much below \$2, which would give approximately \$318,000 for a seven game series between the Chicago and New York clubs. This would exceed by more than \$28,000 the record receipts now credited to the 1912 series.

The attendance figures by series since the year 1903 follow:

1903—Pittsburgh (N.) vs. Boston (A.), 8 games ..... 100,429  
1905—New York (N.) vs. Philadelphia (A.), 5 games ..... 91,723

Johnstown, Pa., Sept. 30.—"Shadow Huns," men who sit in our national legislature and serve the kaiser, and "The Huns within our gates," received another denunciation today from former President Theodore Roosevelt in an address here at the workingmen's Red Cross celebration. Col. Roosevelt urged upon his audience the need of true Americanism and the duty devolving upon every citizen of the United States in standing behind the young men who have enlisted or have been made part of the national army for the purpose of cutting the German cancer clean out of the world's body.

## Injured by Automobile.

Charles Wick, son of Mr. and Mrs.

Charles Wick, was on his way from school on Chestnut street on his bicycle Friday when he was run down by Hiram Smith's automobile as the car was turning from Chestnut to Susquehanna streets. The boy's left forearm and left leg were bruised and his wheel was badly damaged, the frame being bent and the front wheel broken.

## Sprains Left Ankle.

He attempted to enter the building, passing over a plank that was placed between the pavement and the front door, falling from the plank.

## Artificial Milk a Complex Mixture.

To show what an arsenal of chemicals has to be employed when we want to copy nature the Paris Nature prints the formula for artificial milk as patented in England. It is as follows:

In 200 pints of water at 85 degrees C. dissolve 400 grains of phosphate of potassium or the equivalent quantity of phosphate of soda. Add sugar sufficient to make 4.5 per cent of the final product and mix in twenty kilograms of extract of nuts. Boil, then distill and treat with a culture of lactic ferment until the desired acidity is obtained. Pasteurize at 60 or 70 degrees C. and finally add a small quantity of citric acid. This can be dried and sold as a powder.

## Distinction.

"The world is divided into two classes," said the village oracle oracularly, "those who borrow and those who lend."

"Indeed! And how do you think it is divided?"

"Inter two classes—them that wants ter bor ar' an' them that won't lend."

## Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poison matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

Dr. C. R. Woods was summoned from Delhi and advised holding over the warrant for a few days to give the accused time to recuperate.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrup. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see if it is made by the "California Fig Syrup Company."

## NORMAL ALUMNI LUNCHEON.

Binghamton Graduates Visit City and Dine at Country Club.

On Saturday about 40 members of the Oneonta Alumni association of Binghamton visited this city, some coming by motor car and others by train. Those who arrived in time were given a reception at the Normal parlor by the faculty from 11 to 12 o'clock.

At 1 o'clock the visitors and members of the faculty, the party in all numbering upwards of 80, adjourned to the Country club, where an appetizing luncheon was served by Mr. and Mrs. Bassett, which the visitors pronounced excellent. The ride through the valley no doubt whetted the appetites and the meal was devoured with zest.

In the unavoidable absence of Dr. Bugbee, Arthur M. Curtis, speaking for him, addressed a few words of welcome and greetings to the visitors, which were happy and were well received. Miss Gleason sang a solo and the gathering united in singing school songs. The occasion was one of keen enjoyment, the visitors being quite enthusiastic in praise of the trip, the luncheon and the hospitable greeting of the faculty, while they praised in loud terms the attractiveness of the Country club and its environs.

## Macbeth and McKinley.

Long before William McKinley became a national and international figure I made his acquaintance and won his friendship and good will, which ended only when he passed to eternal rest. We often met at his home in Canton, O., and at the house of a mutual friend, M. Rubman, the son-in-law of Rabbi Levinsky, the editor of the family and school Bible.

When he was elected a member of congress this intimacy continued, and many social and pleasant hours were passed in my home and in his rooms at the Ebbitt House, where he lived during his whole congressional career. He was at all times genial, and no matter what he had to do, either for his constituents or for his friends, he was ever the same patient, courteous and self-sacrificing gentleman. In due course of time he was elected governor of Ohio. I telegraphed him, "Thane of Cawdor, king that shall be," to which he promptly replied, "Thanks, but not yet." — Simon Wolf in American Hebrew.

## FAREWELL FOR DRAFTED MEN.

Walton Turns Out to Honor Her Son, a Soldier Boy.

Walton, Sept. 30.—Walton gave a fitting farewell to the 33 men called into the federal service who left at 12:15 o'clock on Saturday for the training camp at Wrightstown, N. J. At 10:30 o'clock all business places were closed and all adjourned to the opera house where speeches of a congratulatory character were addressed to the men by County Judge Raymond of Franklin and James P. Hill of Northwick.

Later a parade line was formed with the Walton band leading. Eighteen members of the Ben Marvin post, G. A. R., the village officials and citizens and the 33 men who left from this district were escorted to the train. The men there joined the contingent that came from the first district at Delhi, numbering 32 men.

The members of both parties were supplied with lunches as nothing to eat could be secured before Scranton was reached. Word has been received that the men reached Wrightstown at a late hour.

Those in the delegation from the second district are: Charles Nelson Peake, Homer George Osborne, Montie Francisco, Philip Gabriel, Clifton Millsbaugh, Charles G. Preston, Frank S. Azzoli, Charles M. Schermerhorn, John Poules, George H. Green, Arthur W. Cunningham, William Corgan, James Burnside, Clark N. Kellogg, Fred E. Dewitt, Ross C. Travis, June Howland, Irving Taylor, Floyd W. Ten Broeck, Morton Henry Mills, Martin L. Frank, Otto Andrew Stern, Ivan Wardell, Alfred E. Casswell, Leonard W. Eldred, Charles E. Webster, Archie Begeal, Orson Aldrich, Charles T. Alverson, Harry J. McLean, George Alfred Allen, Kenneth Elwin Stewart, Frank H. Day.

## WOMAN NOW IN PERFECT HEALTH

What Came From Reading a Pinkham Advertisement.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me well and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the aforesaid ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles as they did me."

Visiting Minister Preaches.

The morning service at the Lutheran church was well attended and the congregation was inspired with the very practical sermon given by Rev. L. R. Wagstaff of Fort Plain, who with Rev. J. C. Traeger, had been in attendance during the past week at the synod convention of New York held in St. John's church in New York city. Mr. Traeger persuaded Mr. Wagstaff to spend the day with the Oneonta church and to preach at the morning service. He is secretary of the Hartwick once and his sermon upon "The Tears of Jesus Over Jerusalem" was greatly enjoyed by all who heard it.

Tim it! Papo's Diapepsin will sweeten a sour, gassy or out-of-order stomach within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is usually a sign of acidity of the stomach.

Get from your pharmacist a fifty-cent case of Papo's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches or dizziness. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Papo's Diapepsin helps to neutralize the excessive acid in the stomach which is causing the food fermentation and preventing proper digestion.

Relief in five minutes is waiting for you at any drug store.

These large fifty-cent cases contain enough "Papo's Diapepsin" to usually keep the entire family free from stomach acidity and its symptoms of indigestion, dyspepsia, sourness, gases, heartburn, and headache, for many months. It belongs in your home.

## THE PRICE OF FLOUR.

The price of flour, which was on September 25 made the equivalent of \$11.80 a barrel on export patents and of from \$10.50 to \$10.90 on all first ears, should have its effect on the high cost of living, incidentally, also, it should have a lowering effect on all the by-products of wheat, which human includes various sorts of breakfast foods, whole wheat and graham flours for humans, and wheat feeds for cattle. And if the cost of feeding kine is reduced, it may result in keeping milk from further advance later in the season.

## CZAR AND KAISER.

The series of letters which passed between "Dear Willie" and "Dear Nickie" some 10 years ago make an interesting reading. They were among the secret archives of the Russian government, and they express doubtless the real sentiments of the czar, and as near as anything may those of the wily and unscrupulous kaiser. Their publication at this time adds new force to the old injunction to "burn your letters."

## A MASTER MATHEMATICIAN.

Another master mathematician has come to the fore with figures which prove that if we would only be a little more prudent in the use of matches, saving one match out of five now used, and presumably wasted, we would save sundry millions of dollars yearly, besides enough timber to build several transatlantic ships. Incidentally, of course, though the master mathematician notes it not, there will also be a saving of millions of minutes of time, otherwise wasted, in scratching the matches. But did the master note that match timber could not be used to build ships, or that his own time might be better used in helping his sisters to knit sweaters? There is good authority for the statement that there is a sort of thrift that leads to poverty.

## ONEONTA'S ENROLLED MEN.

The next allotment of soldiers which leaves Oneonta, consisting of 17 men, will be the last save one of seven to be called later under the present draft. When the other party left the city it was just at the end of a strenuous fair week, and everybody was busy and pretty well fagged out. For this reason, doubtless, there was no public demonstration or recognition. This Saturday there will be no such reason, and it is hoped that there will be a fitting demonstration, such as has been given in other towns and cities whenever a quota has left for camp. If for any reason it may not be held at the early hour when the company leaves in the morning, it might be held the evening before, making the hour early and the exercises not too long, in order not too greatly to trench on the time the men would have with their families.

## ONE WAY TO END SUBMARINES.

The tremendous efforts of the Germans to retake Zonnebeke in Belgium, which a few days ago was wrested from them by the British, gets its importance from the fact that it is only half a dozen miles from the important railway connecting Lille and Ostend. With this German supply line cut, a further retirement may be necessary, and the possible evacuation of Ostend. This is on the direct way to Zeebrugge, which is only about 20 miles from Ostend, and is the chief German submarine base. If this were taken, the submarine problem would be a long way toward settlement.

## WALL STREET REFLECTS.

Current Events Change Things a Bit; Liberties at 100.30.

New York, Sept. 30.—A ruling rate of 6 per cent for call loans and almost utter lack of time money, the agreement between the war industries board and the steel manufacturers, and the unlimited bond issue soon to be offered by the government, all gave Wall street material for much sober reflection during the week.

Rails and other shares, hitherto classed among the more stable issues, experienced greater depreciation than those of less intrinsic value, but the entire list reacted later at the recurrent waves of liquidation augmented by persistent short selling.

Observers are agreed that at no other time since the inception of the present decline has the market reflected less public support.

Contrariwise, the weakness of the bond market, with numerous high grade securities at lowest quotations of recent years, seems to bespeak the indifference of the conservative investor. Liberty bonds furnished the only noteworthy exception, rising steadily to the new premium of 100.30. International war quotations went lower with domestic rails, industrials and utilities.

## No Party of Second Part.

At present Germany can not make an agreement of any kind. Nobody will append his signature to a document in which the other contracting party is Wilhelm II. — [Capper's Weekly.]

## COMMENTS OF THE PRESS

## The Right Idea.

An Italian, who has a newsstand in a certain city, bought a \$100 Liberty bond. A chap who thought he was brighter was trying to kid Dominic the other day by telling him that if Germany should win the war the Liberty bonds wouldn't be worth a cent. Kindly get Dominic's answer: "Aw hell, it went 100 bucks to live in this country!" — [Exchange.]

## An Ancient Obligation.

There is no issue in the war that should appeal more deeply to the American people than that of Alsace, whether it be because of ancient obligation to France, or because of a just and accurate appreciation of the rightness of the French claim to her lost provinces. No American should think of peace that does not restore Alsace-Lorraine to France. — [New York Tribune.]

## Putting the Case Mildly.

When Representative Heflin said he suspected that 13 or 14 members of congress had been influenced by way of Count von Bernstorff's secret fund he put the case mildly. For more than three years past the Record has shown that many more than 13 or 14 have been regularly voting for Germany. Furthermore, Mr. Heflin's suspicion is shared by the great mass of the people. — [New York World.]

## Lifting Woman's Burden.

Women who fear lest their age may be discovered have no occasion to be alarmed over arrangements for registration of the nation's women power. Dates for registration have been set in 16 states, but age will not be required. If a woman cares to state that she is "under 40" or "over 30" she may do so. The announcement from Washington lifts a burden from thousands of women all over the country. — [Utica Press.]

## Boche.

The burglar who has broken into a house, murdered the owner and passed the valuables out of a window to a confederate would be willing to compromise with the officers of the law on the terms that he be permitted to depart, that the doors and windows of the house should never again be locked and that the burglar alarm which menaced him on his first entrance should be removed.

Substantially this is the proposal of the German government with reference to Belgium. The murderer and the robber is willing to get out if the way back is left open and the right of self-defense denied Belgium. — [New York Tribune.]

## To Discover the Guilty.

Congressional investigations are usually profitless undertakings, but it may be that an investigation of Count von Bernstorff's attempt to influence congress through organized propaganda would be an exception. As the situation now stands every German-American organization in the country and all organizations that at any time have sympathized with Germany are objects of suspicion, as are some congressmen, and until the full truth is known about the success of Von Bernstorff's bribery plot all are under a shadow of doubt that is unfair to the great majority of members. — [Indianapolis News.]

## Music and the War.

If the directors of the Chicago opera house, who, of course, are responsible for the decision to give no German opera this year, are endeavoring to show how widely their Americanism differs from that of Chicago's mayor, the country will feel some sympathy with their position. But to bring national animosities into the sphere of art has never been regarded as a sign of large-mindedness. — [Springfield Republican.]

## Picnic Lunch of D. A. R.

The members of Oneonta chapter, D. A. R., to the number of 35, were guests Saturday afternoon of Mrs. Lillian Kirkland and Mrs. M. L. Ford at Brookside, the summer home of the hostesses in Laurens.

A delicious picnic lunch was served at 1 p. m. and the afternoon was pleasantly spent by all.

Announcement was made by the committee in charge that the Oneonta chapter, along with many others had undertaken the care for one year of a French orphan of the war.

Several thousand of these orphans are being cared for by the Daughters of the American Revolution in this country and the Oneonta chapter gladly gives its aid in the work.

In connection with the work undertaken by the Department of Education and the State D. A. R., of securing all available local historical data of the present war, the chapter will be represented by Mrs. Julius J. Turner, Miss Mary Abel and Miss Jennie Fairchild, to whom it is requested that all data will be sent.

## Clonian Initiate Eleven.

Eleven new members were formally initiated into the Clonian society of the Oneonta State Normal school Friday night at the regular business meeting of the organization under the direction of the president, Miss Beatrice Jackson.

After the transaction of business, a social time was spent with a program that included a duet by the Misses Grace Wood and Carol Rich; recitation in slang by Miss Rose Faunce; vocal solos, "The Secret," by Miss Eva Traugor, and "The Daisy," by Miss Grace Church. An informal dance followed. Several old members of the society were present.

## NEEDS OF RETIRED CLERGYMEN

Wyoming Conference Seeks Permanent Fund of \$400,000 for Their Sustenance — Nation-Wide Movement Among Protestant Churches.

Rev. Dr. James A. Hensey, superintendent of the Binghamton district of the Wyoming conference of the Methodist church addressed the morning congregation at the local church of that denomination yesterday, presenting the claims of the Preachers' Aid Endowment fund to the laity of the church. Other pulpits of the O. district were occupied either by laymen or clergy who press the same subject, several Oneonta gentlemen speaking at nearby places. This plan was followed in every church of the conference. The subject was presented but no contributions were solicited, that being left for the church to provide for the aged men who have been unable to save anything like a competence at the schools they have received when they shall become no longer in demand. He stated that the Episcopal church started for a permanent fund of \$5,000,000 and despite the fact that its needs are not as urgent as other denominations it raised \$2,500,000 more than the desired sum and the total may reach twice the amount originally asked.

He stated that owing to the needs of the Methodist clergy the church at large is endeavoring to secure \$20,000,000, the sum desired in this conference being \$400,000. The speaker emphasized that the church demands the undivided efforts of its ministers and pays them barely enough to support them during their active work so that when they retire, they must either live upon charity, or a pension from the church. While the church has been providing something for them it is inadequate. No retired clergyman can subsist on \$200, which is about the maximum this conference has paid. All other avenues are closed to them and they must depend upon the church to which they have given all their years of activity. They should not be compelled to go out mowing lawns or earning for others gardens when in their decline.

He urged the local church to get the burden upon its heart and to do as well as the preachers are doing, who are paying five per cent out of their salaries and if this were done the fund would be secured at once. He based his argument upon three points: Justice demands, mercy implores and gratitude should prompt a hearty response. His address was forceful and was illustrated by many incidents in his own personal experience that were appealing.

## Car Turns Turtle.

Millford, Sept. 30.—H. N. Stockpole of Millford, employed nights by International Products company, Cooperstown, while returning to home here Saturday forenoon about 3 o'clock, turned out to pass two cars coming toward him. Being blinded by the glare he turned too far into the ditch and the car turned turtle, pinning him underneath. He was picked up unconscious by occupants of another car who came along soon after the accident and was taken to Thanksgiving hospital, Cooperstown. His head and face were badly bruised and cut, also shoulders and hips but he was not seriously injured. He was brought home Saturday afternoon. The accident occurred near the Shumway place, just outside Cooperstown village.

Mr. Porter has been actively associated with the fair for several years and his presence will be appreciated.

## LOCAD MENTION.

It is requested that there be a large attendance of volunteer workers at the Red Cross rooms this afternoon and evening.

Dr. Charles S Pendleton gave a very interesting and instructive address upon Mexico, illustrated with stereopticon views, at the service last evening and was listened to by a large and attentive audience.

Rev. F. A. Starratt, D. D., professor of Christian theology at Colgate university, will speak on the Rural Ministry at the First Baptist church at 1:30 this afternoon to the pastors of the Baptist conferece. The public is cordially invited.

The bake sale of the Suffrage club on Saturday was well patronized. A goodly supply of home made bread, doughnuts, cookies, pumpkin and other pies, cakes, etc., all of quality, attesting that the suffragists can cook, was practically closed out within the first hour. The proceeds were about \$25.

F. H. Bresce & Sons of the Oneonta Department store recently purchased and on Friday removed to their store in this city the shoe stock of Preston & Son at Sidney. The business has been discontinued because the junior members of the firm has been drafted and left Saturday for service.

There is plenty of yarn to be had at the Red Cross headquarters. Khaki yarn at 75c per skein, which is very choice and can only be had in New York city for \$1.00 and very scarce at that—gray and white yarn for socks at 50c, heavier gray yarn for sweaters at 65c. Only the 50c yarn in gray can be placed with the free yarn on account of the great advance in price.

## "ANGEL OF CHINATOWN" COMING

Rose Livingston of New York to Deliver Address Friday Evening.

Miss Rose Livingston of New York, better known as the "Angel of Chinatown," who will speak at Municipal hall next Friday evening, under the auspices of suffrage organization, will tell her audience a plain, straightforward story of the underworld, in which she has labored to save young girls under 18 years of age.

Although self-educated, Miss Livingston has acquired the power to visualize her experiences to her auditors. Her story of the white slave traffic in New York, and the efforts which are being made to suppress it, is one of the most dramatic ever presented from a lecture platform. In it she lays bare the sordid life of the underworld and explains the traps and pitfalls that are laid for the downfall of young girls by "cadets" and other unprincipled creatures. She also explains the difficulties and dangers which attend the work of those who are trying to break up the traffic in souls and save the unfortunate victims while there is still a chance to reclaim them. The political influences which not only allow but frequently foster the white slave business, and the lack of justice meted out by the courts, also figure in her presentation.

Two years ago Rose Livingston became convinced that commercialized vice would never be demolished until women have the vote. Since then she has spoken for woman suffrage whenever she has had a chance. She is greatly interested in women getting the vote.

New Seats at Oneonta Theatre. When Manager Smith came to Oneonta three weeks ago he said he was going to have new seats for the Oneonta theatre. The seats, which are of a substantial and attractive pattern, have been placed in position and will be ready for occupancy at the performance this afternoon. It will be a treat to Oneonta theatregoers to occupy these comfortable easy chairs.

## Meetings Today.

The Philathea class will hold their business meeting and socials with Mrs. William Strat, 61 Maple street, Tuesday, from 2:30 until 5 o'clock. A large attendance is desired as business of importance will come before the class.

## Woman's Club.

The regular business meeting of the board of directors will be held this afternoon at 4 o'clock at the club rooms.

## ACCEPT LEAGUE MILK PRICES

DEALERS MAKE CONTRACTS AND AVOID THREATENED STRIKE OF PRODUCERS.

Bordens and Sheffield Concerns Close Many Stations, Asserting That They Cannot Assume Risk of Surplus With Attendant Loss—International Leases at Oneonta and Colliers Plants.

All of the milk concerns operating in Otsego county have, according to Farm Bureau Manager Barlow of Cooperstown, signed Dairymen League contracts agreeing to pay the prices fixed by the league for October and November milk. The Borden company signed at about midnight Friday night and others have followed so that in all Dr. Barlow has received 19 telegrams informing him of companies that have signed.

Mr. Hovey of the International Products company of Cooperstown, one of the largest dealers in the state, stated last night that his company had made an agreement and would commence to pay the prices this morning. His company has leased from the Sheffield Farms-Slawson Decker company the plants at Oneonta and Colliers and will take possession of them this morning, operating them and paying the prices there as elsewhere where they own their plants.

The Sheffield Farms company, according to information given The Star by W. H. Sheffield last night, has also made an agreement and will pay league prices at all stations which are kept open but will be unable to take on additional dairymen at any points. The company will be unable to manufacture any milk but, in order to avoid an accumulation of a surplus that cannot be handled will close down 18 of its plants. Those in this section affected are Oneonta and Colliers, which have been leased to the International Milk Products company of Cooperstown and will be operated by them. The plants at Davenport, Roxbury and Baumburg are to be closed. The other plants to be closed are located in other sections of this state and in Pennsylvania and Vermont.

The Borden company will follow the action taken by the Sheffield concern and will close many of its plants, it being unofficially rumored that it will embrace some 60 in all. Those of the Borden company at East Springfield, South Worcester, Fortlandville and South Berlin are those closed in this locality.

Both companies claim that the prices quoted equals over 90 cents a pound for butter fats and this price precludes manufacturing butter with any surplus lest a loss of 50 cents on the dollar be experienced, as butter is now selling at 45 cents or thereabouts under 18 years of age.

## Advance City Prices.

In announcing an advance in prices to customers in New York city to become effective today the Sheffield Farms company sent out the following notice to them:

Another increase to farmers (approximately 25 per cent over the current prices), for milk has become necessary to meet the increased cost of production. We confidently believe the cost of producing milk will decrease within the next few months. Advice from Washington are to the effect that cattle feeds, by-products of the government-regulated grain industries, will no doubt be sold cheaper in the near future. These feeds are the principal items entering into the cost of producing milk. We assure you that as soon as this hoped-for condition materializes we shall be pleased to adjust our prices accordingly.

Beginning October 1, 1917 our prices for delivery will be Grade 'B' pasteurized milk 14 cents per quart bottle, grade 'B' pasteurized milk 16 cents per pint bottle grade 'A' milk 16 cents per quart bottle.

## Game Season Opens Today.

The game season in the state of New York opened this morning and it is understood that a considerable contingent of Oneonta sportsmen including social members of the Fish and Game Club intend trying their luck in forests and fields of Otsego and Delaware. Beginning today it will be legal to shoot partridge, woodcock, rabbits and squirrel. Reports from those who have traveled the nearby hills with their eyes open are to the effect that the present is likely to be at best but a moderate year for game.

## Little Change in D &amp; H Schedule.

There are few changes in the Delaware & Hudson winter schedule, which goes into effect this morning. Train 303 leaves at 7:10 a.m. on week days instead of 7:10 as heretofore and train 305 leaves at 11:00 a.m. instead of 11:10 as by the summer schedule. All other trains on the Susquehanna division main line remain as heretofore and there are no changes made on the Cooperstown branch.

## County Court Convenes.

The adjourned September term of county court with a trial jury will convene this morning with Judge A. L. Kellogg presiding at the court house at Cooperstown. It is understood that there are several criminal cases to be tried before the jury and a number of civil cases to be argued.

## Notice of Milk Prices.

Beginning Oct 1 and until further notice the price of our Pasteurized bottled milk will be 18 cents per quart, 5 1/2 cents per pint. This advance is made necessary by the increased price we pay the producer.

## THIRD CALL FOR OTSEGO MEN

Thirty-four More Ordered to Leave for Camp Devens Saturday Morning—Suggested Itinerary of Trip.

Notice was received Saturday by the local exemption board for the first Otsego district that a further call had been ordered for 40 per cent of the men accepted as a result of the recent examinations, and that they will leave this city for Camp Devens at Ayer, Mass., next Saturday morning. With the men sent in accordance with the previous calls, this will make 36 men for whom calls have now been issued.

As the required number is 43, seven more men will be required to complete the quota, and their orders will doubtless follow at an early date. The following is a list of the men who are called to the colors for Saturday next.

Arthur N. Stoddard of Unadilla Clarence E. Cowan of Norwich Edward R. Polley of Oneonta. Edward A. Casey of Carbondale.

Roy A. Judd of Worcester.

Andy Sabathina of Oneonta.

John F. Bennett of Oneonta.

DeRoy M. LeVeille of Oneonta.

Harold A. Davis of Gilbertsville.

Harold Parker of Oneonta.

William Switzer of Steansville.

Ous J. Bailey of New York city.

Ralph E. VanKleek of Unadilla.

Fred Conick of Oneonta.

Charles H. Brewer of Gilbertsville.

William J. Cain of Worcester.

Charles Reed of Oneonta.

In addition there will be a further

list of alternates, from three to five,

in case any of the above list fail to

report for duty. Their names will

probably be given tomorrow, but is

not expected that any of them will be

required to go to the camp.

The men from this district will come

to Oneonta on Friday and will be

quartered for the night at one of the

city hotels. They will leave at 7:10

on the regular Delaware and Hudson

train for Albany, and will be joined

at Cobleskill by 10 men from Schoharie

county. They are scheduled to arrive

in Albany at 10:25 a.m. and to leave at 11

o'clock via the Boston and Albany for

Worcester, Mass. From Worcester they

go via the Boston and Maine to Camp

Devens arriving at 6:30 p.m. Breakfast

will be served in Oneonta dinner at

at Pittsfield and supper in the camp

at Ayer.

As elsewhere editorially is noted, it has been suggested that Oneonta which in no good cause is behind its sister cities and towns, should make some formal recognition of the departure of these men either Friday evening or on Saturday morning.

It is a noble work which these men are undertaking and there should be no failure in recognition of the obligation which is felt by those who remain at home.

## MEN OF FIRST TO FILL SEVENTH

Nearly All Members Needed to Fill Older Regiment to Full Quota of 3,600 Enlisted Men.

Press dispatches from Spartanburg S. C., where the troops of New York are now in camp, are to the effect that in the reorganization of regiments whereby each is brought up to the standard of the armies of the allies in membership, the present First regiment, in which are the companies from Oneonta, Walton, Binghamton, Utica, Middletown and Albany, will be practically wiped out. The present plan is understood to be to take the men of the First to fill the ranks of the 7th regiment, now the One Hundred and Seventh Infantry. That regiment has only 1,700 men, so that to fill its ranks 1,900 of the 2,100 men of the First regiment will be required.

of Andes were in Oneonta yesterday on  
their way home from Arkville, where  
they attended the golden wedding of  
the former's parents, Mr. and Mrs. Thomas  
Hitt. The bride and groom of  
fifty years ago have thirteen surviving  
children and thirty-one grandchildren,  
most of whom were present at  
the anniversary.

Mrs. A. B. Saxton of this city, accom-  
panying her brother, C. J. Armstrong,  
and family of Milford, were in New Berlin  
yesterday attending the funeral of their  
uncle, the late William Armstrong.

The latter was for many years a leading citizen of  
his town, being long a member of the firm  
of Armstrong & Ackerman, carriage  
and wagon builders.

Mr. and Mrs. R. J. McCarty Jr. and  
son leave the city today for Albany,  
where they are in the future to reside,  
Mr. McCarty having leased a residence  
in that city, his duties as assistant  
general superintendent on the Delaware  
and Hudson necessitating head-  
quarters there. The hearty best wishes of  
many friends will attend them.

Mr. and Mrs. K. E. Morgan of Oneonta,  
who had been spending two weeks  
on an auto trip through the White mountain region of New England,  
returned home Saturday evening,  
and on Sunday Mr. Morgan departed  
on a business trip to Chicago. Their  
daughter, Mrs. W. C. Haupt, who had  
been with them on their eastern outing,  
returned with them to New York,  
by way of which city the return trip  
was made.

### DEATHS.

Mrs. Samuel VanBuren.

Anna Margaret Goodman, wife of  
Samuel VanBuren, died suddenly on  
Sunday morning at the home of her  
brother-in-law and sister, Mr. and  
Mrs. Earl VanValkenburg, 48 Church  
street. She had been ill for only about  
a week, and her condition had not  
been considered serious. The body  
will be taken today to Albany, where  
the funeral will be held on Wednesday  
at the home of her parents, Mr.  
and Mrs. William Goodwin, 23 Avenue  
A in that city.

The deceased, who was 22 years of  
age, is survived by her husband, her  
parents above named and by three  
sisters and four brothers. She was a  
member of Our Lady Help of Christians  
Roman Catholic church in Albany, and leaves many friends whose  
sympathies will be extended to the  
husband so suddenly and sadly bereaved.

### MARRIAGES.

Bastedo-Ortman.

At the Lutheran parsonage, Saturday,  
at 2 p. m., Rev. J. C. Traeger  
united in marriage Elmer B. Bastedo  
and Mrs. Weitha Ottman, both of Oneonta.  
The bride has been the organist  
at the Lutheran church for many years  
and the groom has been employed here  
for the past year. Mr. and Mrs. Bastedo  
left shortly after the ceremony in  
their motor car for Binghamton, where  
they passed Sunday. They will tour as  
far as Buffalo, after which they will  
return to Rochester, where they will  
make their home for the winter at  
least. The best wishes of many friends  
go with them.

### EDITOR TAKES ONEONTA BRIDE

Leo H. DeSilva, Editor and Proprietor  
of the Stamford Mirror-Recorder,  
Weds Miss Florence B. Cook,  
daughter of Mr. and Mrs. Ahira Cook.

Leo H. DeSilva, editor and proprietor  
of the Stamford Mirror-Recorder  
and one of the best known of the  
younger newspaper men of this section  
and Miss Florence B. Cook, daughter  
of Mr. and Mrs. Ahira Cook of 2 Parish  
avenue, were quietly married Saturday  
at 12:30 o'clock at the home of the bride's parents,  
the ceremony being witnessed by the immediate  
relatives and the couple's  
attendants, Mr. and Mrs. O. A.  
Maynard of Grand Gorge, who were  
best man and matron of honor, respectively.  
Rev. Dr. Charles S. Pendleton  
of the Free Baptist church, the  
bride's pastor, officiated, using  
the ring service. The home was prettily  
decorated and the wedding, though  
modest, was a happy one, it being the  
fruition of an acquaintance dating  
from childhood. The bride was attired  
in her travelling gown of chifon  
brocade with hat to match.

Immediately following the ceremony  
the party repaired to The Oneonta,  
where the wedding breakfast was  
served, covers being laid for eight.  
It was a fitting repast for a nuptial  
meal.

Mr. and Mrs. DeSilva departed later  
in the afternoon by motor car for a  
trip through the Adirondacks and  
later by water to Cleveland, Ohio.  
They expect to be absent for about  
two weeks, after which they will take up  
their residence in Stamford, where,  
after December 1, they expect to occupy  
a handsome new home now being  
erected by Mr. DeSilva but not  
ready for occupancy.

Hearst's congratulations will be  
extended not only by the newspaper  
fraternity but by the many other  
friends of both bride and groom, not  
only in Stamford and Oneonta, but  
wherever either is known. Mrs. De-  
Silva is a young woman of many attrac-  
tive qualities deservedly highly

BROAD STREET JEWELERS

Funeral of Mrs. Blanchard.

The funeral services of the late Mrs.  
Sarah Anne Blanchard were held Sat-  
urday at 1:30 p. m. at her late home,  
30 Valleyview street, in this city. There  
was a good attendance of relatives and  
friends, and many appropriate floral  
tributes, including pieces from the City  
band and the Riverside Manufacturing  
company, attested the regard and sym-  
pathy of many friends. The services  
were conducted by Rev. Dr. Pendleton  
of the Free Baptist church, and burial  
was in Highland cemetery at Sidney  
Center, where the interment service  
was read by Rev. Mr. Clark, pastor of the  
Sidney Center Methodist Episcopal  
church.

Among the relatives present from  
out of the city were Mr. and Mrs.  
Charles Hoyck and Mr. and Mrs. James  
W. Hodges of Sidney Center; Mr.  
and Mrs. Charles Blanchard and  
daughter of Binghamton; Mr. and Mrs.  
H. W. Marnett and daughter of Kings-

ark, N. J.

Card of Thanks.

We wish to extend our sincere  
thanks to neighbors and friends who  
so kindly assisted us during the illness  
and death of our loved one; also for  
the beautiful flowers.

Mrs. Lillian Blanchard,  
William Blanchard,  
Fred Blanchard,  
Mr. and Mrs. W. H. Marlette.

### EDITOR TAKES ONEONTA BRIDE

Leo H. DeSilva, Editor and Proprietor of the Stamford Mirror-Recorder, Weds Miss Florence B. Cook, daughter of Mr. and Mrs. Ahira Cook.

Leo H. DeSilva, editor and proprietor of the Stamford Mirror-Recorder and one of the best known of the younger newspaper men of this section, and Miss Florence B. Cook, daughter of Mr. and Mrs. Ahira Cook of 2 Parish avenue, were quietly married Saturday at 12:30 o'clock at the home of the bride's parents, the ceremony being witnessed by the immediate relatives and the couple's only attendants, Mr. and Mrs. O. A. Maynard of Grand Gorge, who were best man and matron of honor, respectively. Rev. Dr. Charles S. Pendleton of the Free Baptist church, the bride's pastor, officiated, using the ring service. The home was prettily decorated and the wedding, though modest, was a happy one, it being the fruition of an acquaintance dating from childhood. The bride was attired in her traveling gown of chiffon broadcloth with hat to match.

Immediately following the ceremony the party repaired to The Oneonta, where the wedding breakfast was served, covers being laid for eight. It was a fitting repast for a nuptial meal.

Mr. and Mrs. DeSilva departed later in the afternoon by motor car for a trip through the Adirondacks and later by water to Cleveland, Ohio. They expect to be absent for about two weeks, after which they will take up their residence in Stamford, where, after December 1, they expect to occupy a handsome new home now being erected by Mr. DeSilva but not ready for occupancy.

Highest congratulations will be extended not only by the newspaper fraternity but by the many other friends of both bride and groom, not only in Stamford and Oneonta, but wherever either is known. Mrs. DeSilva is a young woman of many attractive qualities, deservedly highly esteemed by many friends in the city and elsewhere. Musically inclined and with kindred tastes, the union seems an especially happy one.

The guests, in addition to the parents of the bride and Mr. and Mrs. Maynard, the attendants, were the groom's mother and sister, Mrs. Mary DeSilva and Miss Iva DeSilva, both of Stamford.

## F. G. SHERMAN CHOSEN CHAIRMAN

OF REPUBLICAN COUNTY COMMITTEE TO SUCCEED W. L. MORRIS OF MILFORD.

Sheldon H. Close Elected Secretary and Arthur C. Holley Treasurer at Well Attended Meeting of Committee Saturday.

Frank G. Sherman, committeeman from the fifth ward of this city and one of the active workers for the party who his life long has taken an active part in politics, was chosen chairman of the Republican County committee of Otsego, at a well attended meeting held at the Municipal building Saturday afternoon, succeeding Wellington L. Morris of Milford, who declined re-election, after having served the party faithfully for seven years.

In announcing his desire to retire from the onerous duties, Mr. Morris made a brief but happy speech, in which he expressed his appreciation to the members for the cordial and hearty support given him during the seven years, and thanked them for the pleasant relations which have existed and bespoke for his successor the same cordial support and united effort for success.

The following resolution was then unanimously passed:

Whereas, Wellington L. Morris has been chairman of the county committee for the past seven years, during which time he has performed the duties of the office with ability and impartiality, and

Whereas, The members of the committee wish to express their appreciation of his services, therefore, be it

Resolved, That Wellington L. Morris has made an able chairman and that he has the hearty thanks of the committee for his able and efficient services.

Mr. Sherman was the unanimous choice of the committee and in accepting the duties he spoke briefly, declaring that united, hearty effort will assure a continuation of party success. He asked for the best efforts of his associates and assured all that his sole aim would be the welfare of the party in the county.

Other officers chosen were Sheldon

H. Close as secretary and Arthur C. Holley as treasurer. There resulted at the late primaries a tie vote in the third district of Morris and the committee filled the vacancy by electing Burton Appling, the former committeeman, who was one of the men tied for the position.

Chairman Sherman later announced the appointment of George M. Wedderspoon of Cooperstown as vice chairman and the following as an executive committee: Wellington L. Morris of Milford, Leland M. Cowles of Unadilla, Julian C. Smith of Oneonta, Clarence W. Davidson of Cooperstown, Ralph Barrus of Richfield Springs and Dr. W. W. Hall of Gilbertsville.

Judge A. L. Kellogg, the candidate for justice of the supreme court, Adrian A. Pieron of Cooperstown, for district attorney, and State Committeeman Hon. Charles Smith, who were present, addressed the gathering, each urging a strong aggressive campaign.

Give Children Motor Ride.

Saturday afternoon some 75 children of the primary and junior departments of the Free Baptist Sunday school were given a motor ride about the city and environs, after which they were returned to the church parlor, where refreshments of a character calculated to appeal to the juvenile heart were served, previous to which, however, a program of exercises was rendered in which they evidenced keen interest and appreciation in the event.

## Happy Birthday Party.

The home of Mr. and Mrs. George Paine, 7 Harmon avenue, was the scene of a pretty birthday party Saturday afternoon, the occasion being the fourth birthday of Miss Virginia Finley. The afternoon was passed in playing games, the children particularly liking a flag game. A dainty luncheon was served and the little ones in departing wished their hostess many happy returns of the day.

Thrift will play its part in Oneonta in conserving her resources.

## EARL WILD LANDED IN JAIL

SHERIFF BROWN AND A. H. MURDOCK ARRIVE WITH CAR AND PRISONER.

Saxon Six of Mr. Murdock Not Seriously Damaged, the Engine Working Perfectly During the Three Day Return Trip.

Earl Wild, the half-witted Maple Grove striping who stole the Saxon Six touring car from the store of A. H. Murdock on Market street on the night of Sept. 6 and started off to see the world, accompanied by the wife and daughter of a Maple Grove farmer, the wife having apparently become enamored with the youth, arrived in the city last night at about 8 o'clock in the custody of Sheriff Brown, the latter and A. H. Murdock, the owner of the car, having driven through from Moundsville, West Virginia, where the thief was apprehended some days ago when he attempted to sell the car for \$50 and later offered it for \$25. Wild was brought back with them in the car. The woman in the case and her daughter are held at Moundsville under surveillance of the parole officer, Sheriff Brown, with his prisoner held for a half hour at police headquarters while the car of the sheriff was driven down from Cooperstown to convey himself and prisoner to the county jail, where Wild was placed in a cell to await trial.

At police headquarters Wild appeared not to realize his disgrace nor the prison term that undoubtedly awaits him, but participated in the conversation as apparently indifferent to his situation as if he were a casual caller there rather than a prisoner, having ridden here from Moundsville, a distance of about 600 miles, handcuffed to the sheriff.

Mr. Murdock drove the car through in three days. The party left Moundsville Friday morning after having secured the necessary papers and received the prisoner and the car. The route chosen was through Pittsburgh to Bedford over the Lincoln highway and thence to Altoona, to Tonawanda, to Waverly and Binghamton. Sheriff Brown reports the highways quite uniformly good and both he and Mr. Murdock congratulated themselves that the best possible route was selected, after advising with motor club officials and garage owners along the route. The car made the run handily in three days and the men were not unreasonably tired when Oneonta was reached.

Wild makes no effort to conceal his guilt. He evidenced his lack of judgment to start out upon such a venture handicapped by two women. He never changed the number plate on the car and when he offered the car for sale at a ridiculously low price he was immediately placed under surveillance and his arrest followed the receipt of the message from Sheriff Brown.

The woman and her daughter will be held at Moundsville for a few days awaiting instructions from Sheriff Brown. If the district attorney desires their presence an effort will be made to bring them back. If not and no relatives can be found willing to forward the traveling expenses, their disposition will be left to the authorities there. It is understood that the husband is not interested, except in the daughter and has not the ready money to send for her.

## Witness Golf Match.

Messrs. L. H. Townsend, S. E. McLean, L. C. Gurney, R. E. Brigham and R. B. Colburn motored to Schenectady Saturday morning and witnessed the golf match for the benefit of the Schenectady Red Cross between Francis Outman and Jesse Guilford, representing the Woodland Golf club of Auburn, Mass., and Jerome Travers and Oswald Kirkby, the former pair winning the 36 hole four ball best ball contest, the score being five up and four to go. C. R. Morris and B. H. Morris were also there to witness the game.

## RELIEVED OF FIELD DUTY.

Captain Jackson and Second Lieutenant L. M. Baker to Return Home.

Captain F. M. H. Jackson, who left the city in command of Company G, New York Guard, and who for a month was in command of Company C of Rochester, was recently transferred to headquarters where he has been assisting in connection with the newspaper being published by the First Provisional regiment. His transfer followed when Company C, which had become depleted by the return of many found physically unfit and of others dependents at home, was attached to Company I of Middletown. On Saturday Captain Jackson was notified that he would be relieved from further field duty on Monday, October 1, and he will return to Oneonta today or tomorrow. It is expected that he will at once resume his duties with The Star.

Supply Sergeant Louis M. Baker of Company G was recently commissioned second lieutenant, after which he was relieved from duty in the field. He spent Friday and Saturday in New York city and arrived in Oneonta Saturday evening and will resume his usual business activities.

This is in accordance with the announced intention of not keeping for field duty men whose business activities demanded their attention. This action follows also the passing of Company G as a unit of the state troops. Captain Jackson was formerly commander of the company, but according to the present arrangements it has become headquarters company and is now under command of the regimental adjutant. The number of officers at headquarters is full to the limit.

Sergeant Roy Briggs of the headquarters company, who was injured in an automobile accident at the same time that Lieutenant Colonel Burnett was hurt, has fully recovered, and is again on duty.

Sergeant Shaddock and Corporal Wadlin of the Headquarters company left Friday night for five days' furlough to be spent at home.

Commissioned First Lieutenant.

Announcement has been received at Croton lake that Henry D. McLaury esq. of Oneonta has been commissioned first Lieutenant and both he and Lieutenant L. M. Baker have been ordered to report to the commanding officer of First Infantry, New York Guard, for assignment to duty with Company G at Oneonta.

Lieutenant McLaury was formerly a member of Company G and rose to the rank of sergeant in the old company. Company G, the home company, will be well officered and should be speedily recruited to full strength.

Witness Golf Match.

## MORE DRUNKEN MOTORISTS

Charles Wolcott of Franklin fined for Driving Motor Car When Intoxicated and Justice Murdock Will Recommend That License Be Cancelled.

Late Friday afternoon word reached police headquarters that drunken motorists were endangering the lives of other users of the Franklin turnpike, and Chief Blizzard and Officer Shafer hastened to investigate. They found a man who gave the name of Charles Wolcott of Franklin with a Ford car crossways of the highway near the tollgate with the forward wheels in the ditch and the rear end extending but to the middle of the road. With Wolcott was Charles Hooks of the same town and both were in such condition that they could neither right the car nor get it out of the highway. The officers took the men in charge and brought the car to this city. The men were locked up for the night.

Saturday morning, at 10 o'clock, they were arraigned before Justice Fred Murdock of East End, who promptly accepted a plea of guilty and as quickly fined Wolcott \$50 for driving a motor car upon the highway while in an intoxicated condition, and informed him that he should promptly report the conviction to the secretary of state with the recommendation that his license to operate a car be cancelled. Hooks was fined \$10 on the charge of public intoxication. Both fines were paid.

The officers are to be commended for prompt action, and it would seem that sufficient warning had been given that similar offences will be punished by the maximum sentence. The law is none too strict at that.

Sergeant Roy Briggs of the headquarters company, who was injured in an automobile accident at the same time that Lieutenant Colonel Burnett was hurt, has fully recovered, and is again on duty.
